

## **Open Rank Tenure Track Positions in Strategy**

**The Nanyang Business School (NBS), Nanyang Technological University, Singapore** (NTU Singapore) invites applications for Assistant/Associate/Full Professor tenure track positions in strategy.

### **Requirements:**

Applicants for the Assistant Professor positions should possess a Ph.D. degree from a recognized university and have an outstanding research record or work in progress in top-tier journal publications. In addition, applicants have to show evidence of teaching excellence at the undergraduate or graduate levels.

Applicants for the Associate/Full Professor positions must have a strong track record of high-quality research and at least three years of teaching excellence at the MBA/EMBA level. In addition, applicants must have a primary expertise in strategy with sufficient visibility and impact in the global academic community. It would be helpful, but not required, to have secondary expertise in international business or sustainability. Appointment with tenure requires a formal review.

The faculty hired for these positions will be based in the NBS, Strategy, International Business and Entrepreneurship Division (SIE). SIE's faculty takes a multi-disciplinary approach, leading to publications in premier journals, such as the *Academy of Management Journal*, *Academy of Management Review*, *Journal of Applied Psychology*, *Journal of International Business Studies*, *Management Science*, *Organization Science*, and *Strategic Management Journal*. We emphasize relevance in research through engagements with industry stakeholders. Our faculty provides thought leadership on strategic decisions that lead to sustainable firm growth and profitability in global and regional markets.

### **Application:**

Review of applications and shortlisting decisions will be on an on-going basis until the positions are filled. Only shortlisted candidates will be notified. Applicants have to submit their applications (cover letter, CV, research and teaching statements, and citation report, where applicable) through the NTU Singapore career portal:

For inquiries, please write to Ms. Katie Chew ([katie.chew@ntu.edu.sg](mailto:katie.chew@ntu.edu.sg)).

### **Key Benefits:**

NTU Singapore offers an internationally-competitive salary commensurate with the candidate's qualifications and experience.

### **About Nanyang Technological University, Singapore:**

A research-intensive public university, Nanyang Technological University, Singapore (NTU Singapore) has 33,000 undergraduate and postgraduate students in the Engineering, Business, Science, Humanities, Arts, Social Sciences, and Graduate colleges. It also has a medical school, the Lee Kong Chian School of Medicine, established jointly with Imperial College London.

NTU is home to world-class autonomous institutes – the National Institute of Education, S Rajaratnam School of International Studies, Earth Observatory of Singapore, and Singapore Centre for Environmental Life Sciences Engineering – and various leading research centres such as the Nanyang Environment & Water Research Institute (NEWRI) and Energy Research Institute @NTU (ERI@N).

Ranked No. 19 in the most recent QS World University Rankings, NTU has also been named the world's top young university for the past eight years. The University's main campus is frequently listed among the Top 15 most beautiful university campuses in the world and has 57 Green Mark-certified (equivalent to LEED-certified) buildings, of which 95% are certified Green Mark Platinum. Apart from its main campus, NTU also has a campus in Novena, Singapore's healthcare district.

Under the NTU Smart Campus vision, the University aims to harness the power of digital technology and tech-enabled solutions to support better learning and living experiences, the discovery of new knowledge, and the sustainability of resources.

#### **About Nanyang Business School:**

As a premier business school in a leading technological university, Nanyang Business School (NBS) strives for world-class innovation, research, and business education. Located in Singapore, the heart of East-West culture and business, NBS aims to develop leaders who can innovate for the future, transform organizations with cultural agility, and build sustainable enterprises in Asia and globally.

NBS is AACSB- and EQUIS-accredited and is currently ranked No. 38 in the 2023 Financial Times (FT) Global MBA ranking and No. 4 in Asia Pacific. We have been consistently ranked among the top 40 business schools in the FT Global rankings.
