We would like to invite you to submit a paper to the workshop:

### ENTREPRENEURSHIP

The workshop will run for 1.5 days and will take place on **June 19-20, 2024** in Barcelona.

Entrepreneurship claims a central role in economics and management as a wellspring of industrial dynamism, innovation, and wealth creation. Building on early contributions by scholars such as Joseph Schumpeter, Frank Knight, or William Baumol, researchers, policy makers, and managers alike seek to uncover the economic incentives and personal motivations that affect entrepreneurial behavior in new ventures or established organizations, while the increasing independent and corporate venture capital are core drivers of business dynamism and long-term growth.

The keynote speaker for this workshop is **Sharon Belenzon**, the Fundació Damm Distinguished Professor of Business Administration at Duke University, Fuqua School of Business, and Research Associate, National Bureau of Economic Research (NBER).

We welcome empirical and theoretical submissions at the cutting edge of entrepreneurship from both experienced and promising young scholars in the field. Relevant topics include, but are not limited to: new venture creation, dynamics of entrepreneurial careers, start-up strategy, entrepreneurial human capital, entrepreneurial finance, venture capital, corporate entrepreneurship, institutions and entrepreneurship.

The deadline for submissions is **February 28, 2024**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of all workshops that will take place within the Summer Forum. You can submit different papers to any workshop, but the same paper **cannot be submitted to more than one workshop**.

There is no registration fee and meals during the workshop will be provided for participants. The workshop organizers will not be able to provide accommodation or travel support for speakers.
